YOUTH CANCER SUPPORT

YOU CAN
SUPPORT

Baseball • Softball **UK**
Played in every park.

“BSUK are very excited to be part of the YouCan project it not only provides more sporting opportunities for people with or recovering from cancer, it allows us to introduce baseball and softball to them! The beauty of this project is the wide range of participants that will be taking part in our sport, and I as well as our coach look forward to welcoming them along to the sessions.”

Patrick Knock
Development Manager South East

Did you know?

Physical Activity can help mitigate some of the common side effects of conventional cancer treatment.
