FUNDS LEVERED IN

£42,908.50

Thanks to the Kent Sport small grant we were able to purchase equipment for bowlers with disabilities such as arthritis and joint pains; we brought bowling arms and pick up sticks.

OYSTER BOWLS CLUB

The funding given was for new rugby post protectors for our rugby pitch. Having the rugby post protectors has had a huge impact on the school, enabling pupils to play games more often due to new and updated equipment.

AYLESFORD SCHOOL

Having the video of the seated chair exercise class means that there will always be a class available for our members whenever they want.

WELLBEING LINK

The grant was used to buy a set of balls. As a result we can welcome more people to our regular sessions, and we can also enter individuals into competitions.
