Benefits of Physically Active Learning

“We can temporarily improve our ability to perform cognitively following a dose of exercise. The exercise bout doesn’t need to be rigorous. 20 minutes of walking at a moderate pace, made an impact on student achievement”

Prof Charles Hillman

What is 'Teach Active'

Teach Active is a multi-award-winning online resource that provides teachers with lesson plans and resources to deliver the Primary Maths and English curriculum through physical activity.

Active Maths

- 2000+ lesson plans and resources
- Covers every single objective under the maths curriculum
- 250+ homework activities
- Mapped to the national curriculum
- Foundation Stage to Year 6

Active English

- 1500+ lesson plans and resources
- Covers key reading skills
 - * (all texts included)
- Covers writing objectives
 - * (all areas of spag)
- Foundation Stage to Year 6

Benefits 'Teach Active'

We are passionate about making the school day more active. We reduce teacher workload and support outstanding teaching and learning.

For Children

- ✓ **Raises attitudes & attainment to Maths/English**
Research-led with a proven impact on raising enjoyment, self-esteem and achievement.
- ✓ **Increases levels of physical activity**
Allows children to meet and exceed government recommendations in a purposeful way.
- ✓ **Supports whole child development**
Recognised in developing social skills, teamwork, resilience, determination, and happiness!

For Teachers

- ✓ **Saves hours of planning time**
Welcomed by busy teachers and allowing active learning to become sustainable and achievable within the curriculum.
- ✓ **Supports outstanding teaching**
Gives teachers the tools, ideas, and resources to plan and deliver outstanding lessons – Loved by staff and pupils!
- ✓ **Complements any scheme of work**
Designed to sit alongside, enhance and complement your existing planning or scheme of work.
