Welcome

Graham Razey OBE
Active Partnership
Board Chair

Dear potential Board Member,

Active Kent & Medway exists to change lives through sport and physical activity. This drives everything that we do and motivates every single person engaged with our organisation. We lead, support and connect people and partners across our county through our shared vision of **More People, More Active, More Often.**

Uniting communities and creating more equal and inclusive places so that people can lead happier, healthier and more fulfilled lives. We can only achieve this by surrounding ourselves with outstanding individuals as we go on our journey.

This is where you come in.

We recognise and embrace the benefits of having a balance of skills and experiences on our Board and see increasing diversity and inclusivity at Board level as an essential element to achieving our stated aims and objectives. As an organisation we believe we should be reflective of the people within our communities and as such we are looking to strengthen our already talented and committed Board. At this moment in time, we are particularly interested in those with a background and experience in HR or People Development.

This pack is designed to provide you with the information you will need to make an informed decision about working with Active Kent & Medway and clarity on the expectations of the role. I am more than happy to answer any questions you may have and would encourage you to get involved even if it is your first Board position.

About Us

Active Kent & Medway (formerly Kent Sport) is one of 42 Active Partnerships in England. Our principal funders are Sport England and Kent County Council, whose strategies and outcomes set the direction of our work and activity.

Our vision is 'more people, more active, more often'.

Our mission is to 'change and improve lives through sport and physical activity'.

To achieve this, we aim to increase participation in sport and physical activity with a focus on encouraging the least active of Kent's 1.8 million residents to become more active, and through the promotion of the associated personal and public health benefits. We will target resources where need is greatest, especially at those from under-represented groups, including women, older people, people living with a disability or long-term health condition, ethnically diverse communities and people from lower socio-economic groups.

We engage with partners and networks across Kent and Medway – including those in health, adult social care, community safety, housing, and transport as well as governing bodies of sport, clubs, school sports networks and local authorities, to provide opportunities for everyone to get involved in sport and physical activity for enjoyment as well as wider health and social outcomes.

Active Kent & Medway is an unincorporated partnership is directed and guided by an independent board which sets the strategy and oversees, scrutinises and guides the work of the staff team, making decisions where appropriate. It is responsible for the provision of good governance and overseeing delivery of **Move Together – The Sport and Physical Activity Strategy for Kent and Medway 2023 - 27.**

About Us

Everyday Active is Active Kent & Medway's flagship campaign supporting health professionals to promote physical activity and encouraging the least active to move more in their everyday lives.

The Strategy focuses on the following key themes:

- **Connecting Communities:** Bringing communities together and harnessing sport and physical activity's unique ability to make places better to live;
- **Positive Experiences for Children and Young People:** Helping children and young people to enjoy being active and creating the right foundations for a long, active and healthy life;
- **Supporting Sport:** Supporting local organisations to better understand their community and to deliver activities appropriate to people's needs and motivations.
- **Connecting with Health and Wellbeing:** Working in partnership and enabling everyone to benefit physically and mentally from an active lifestyle
- **Active Environments:** Creating and protecting the places and spaces that make it easier for people to be active.

The Active Kent & Medway staff team helps coordinate this work through an annual operating plan which focuses on ensuring that:

- Organisations who work with those who are less active, are embedding sport and physical activity into their services.
- The sport and physical activity sector is inclusive and accessible, and better able to meet the needs of our communities.
- New audiences are reached by prioritising resources to tackle inequalities.

Equality Statement

Sport and Physical Activity is an intrinsic part of many local communities, which contributes to the quality of life of many people and fosters community cohesion. It also has the ability to bring people together and to develop teamwork and co-operative skills and can provide a wide range of opportunities for all sections of the community to participate and to enjoy the benefits to their health and wellbeing.

As a lead partnership agency and a provider of services for sport and physical activity, Active Kent & Medway and our Board are committed to promoting equality, valuing diversity, combating unfair treatment and proactively tackling inequalities in sport and physical activity.

We are committed to ensuring that current and potential service users, employees (including volunteer helpers), Board Members and applicants for roles either with Active Kent & Medway or our Board, will not be discriminated against on the grounds of social circumstances or background, gender, gender identity, ethnicity, disability, sexuality, age, religion, pregnancy & maternity or marriage & civil partnerships.

The principles of tolerance and understanding and respect for others are central to what we believe. Active Kent & Medway and the Board are committed to progressing towards achieving gender parity and greater diversity generally on its Board, including, but not limited to disability and cultural diversity.
